Same Day Registration

You can register to vote and cast a ballot at an early voting site. With same-day registration, you can fill out a voter registration form, show an identifying document with your current address, and vote at an early voting site when it is open (not on Election Day).

The identifying document must be one of these:

- a NC driver's license
- photo ID from a government agency
- student photo ID with a school document showing the student's address
- or a utility bill, bank statement, payroll stub, or document from any government agency with your name and current address.
